

# **Attention Ex-Offenders!**

**CPO/Outreach Career Center**

**407 W. 104th Street**

**(104th East of Eggleston at the Railroad Tracks)**

**Chicago, Illinois**

## **Computer Class**

With the new laws it is now mandatory for computers to be rebuilt or disposed of so they no longer end up in landfills. In our class you will learn to rebuild computers and/or disassemble and properly dispose of and scrap out materials. Textbook information will be provided to you on a disk.

Our hope is that in 3-4 months you will be prepared to take the COMP-TIA A+ Exam for entry level certification in the computer field.

## **Welding**

12-14 Weeks M-W 10:00 AM - 2:00 PM

Learn stick, mig, gas welding & cutting torches.

**All CPO/Outreach Career Center Classes Include Bible Study**

**Interested?**

**Call 708 331-3301 For More Information**

**We do not promise jobs!**

We will be helpful, as we can be, in a job search.
